

Committee Choice Form

Name: _____ Date: _____

Phone #: _____ Class: _____

I am interested in

_____ (1st choice)

_____ (2nd choice)

_____ (3rd choice)

Can you serve as a chairperson of a committee? Yes _____ No _____

If you are not presently a member of the executive board or in a 12-month position, you are required to serve on a committee during the year. After reviewing the following committees, please indicate a 1st, 2nd, and 3rd choice. Assignments are done primarily on a first in, first assigned basis, but individual talents and availability are also taken into consideration since all jobs need to be filled**. You will receive hours for committee work and any special projects done at home.

**Please provide some information about yourself that will assist the President in placing you on a compatible committee. For example, what is your profession? Do you have any experience that might be useful in regards to any of our committees? Do you describe yourself as not, somewhat, or very organized? Are you not, somewhat, or very detail oriented? Describe your hobbies or any activities you enjoy. Do you have any special skills? For example, do you have skills or experience in any of these areas: repair/handyman, carpentry, painting, gardening, fundraising, event planning, managing small groups, computer skills, MS excel, secretarial, early childhood education experience, motor skill development knowledge, photography, science, etc! (feel free to use back-side of form if you would like to tell me more about yourself than what fits below!)

If you are joining the preschool after August 1, committee choices will already have been assigned and you will be placed on a committee that has openings.
